

JRK ACQUIRES V.W. COCHRANE & ASSOCIATES SURVEYORS

On the 30th of September 2008 JRK Surveys P/L acquired the survey practice of Victor Cochrane & Associates.

Victor's practice has been operating for 20 years from an office in Southern Sydney and has a wide client base across the greater Sydney Region. We look forward to an ongoing relationship with these clients in the future and will be in touch with a number of those clients in the near future to personally introduce ourselves

For those wondering, Victor has taken up a survey position in Tasmania and we wish him success in his future endeavours. Please note that he is still acting as a consultant to us in this hand over period.

BRYAN ACHIEVES REGISTRATION AS A SURVEYOR

Congratulations to Bryan Southall who gained his registration as a surveyor in NSW on the 20th September 2008. It is a big achievement with a number of years of hard work, practical survey experience and study going into achieving this result. He is now waiting to put his first signature on a plan to be lodged for registration.

NSW SURVEYORS EXCELLENCE AWARDS 2008

Both JRK Surveys P/L and V.W. Cochrane & Associates Surveyors submitted entries in the NSW Cadastral Surveying Category of the NSW Surveyors Excellence Awards held at the Shang Ri La Hotel in the Rocks, Sydney.

JRK Surveys submitted their work on the Middle Heights Estate access road at Coledale, while V. W. Cochrane & Associates submitted their work carried out on the Garie Surf Club Lease. Both entries were nominated as finalists, which was a great result for the newly incorporated entities.

WEB SITE UPGRADE

We are currently upgrading our web site and will shortly be replacing our domain name to that previously operated by V.W. Cochrane and Associates:

www.surveying.com.au

This should be finalised by mid November.
